

- Supplied as **carcase only** except where the description includes other items.
- Available in **WHITE, BEIGE, and COLOUR MATCHED** to doors from our ranges.
- Made from 18mm high density board with concealed cam & dowel construction, and quality components which include 'blum' hinges and height adjustable mountings on wall units, and 'Franke' adjustable legs on base units.
- Base carcasses are supplied with 18mm solid backs, colour matched wall carcasses are supplied with 8mm MFC backs, and white and beige with 3mm board backs.
- Also available in the **PREMIUM RANGE** with colour matched 2mm PVC edges. 120° CLIPtop Hinges that include hinge cover plates. 'Blumotion' controlled closing mechanism for doors, drilled for Tandembox drawers and Tandem runners. Wall Units with concealed height adjustable hanging brackets. Bridging units and oven housings with lift stays where appropriate.
- **ORDERING EXAMPLES** - 500mm wide base unit in washed oak (colour code 17) = BU5017  
300mm wide x 720 high wall unit in **PREMIUM** range = PWH30xx  
(XX represents the colour match code - see the available list on Page 7)
