#### Easy-line combinations for BLUM TANDEMBOX 50 cm deep pan drawers.

Thanks to the 5cm deep pierced plate compensators it is also possible to perfectly fill the Blum Tandembox 50cm deep pan drawers with the compositions shown above. The depth compensator's width has to be chosen according to the pierced base's width.

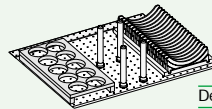

Below are some of the combinations available for 60, 80, 90, and 100cm wide pan drawers, obtained thanks to the combination of accessories and pierced bases.

60

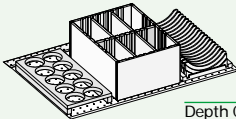

Depth Comp 60	PBS604
Pierced Base 60	PB604
2 Pegs	PBP194
Bread Rack	PBR504

80
